

## Who Will Prevent High Risk Alcohol and Other Drug Use with Teens?

An evening of information, dialogue, and problem solving:

- ◆ **Learn about the problems that come from high risk alcohol and other drug use.**
- ◆ **Learn why high risk use is more dangerous than we think.**
- ◆ **Brainstorm strategies to reduce the problems, reduce the risks and reduce the devastating consequences of underage high risk alcohol and other drug use in Petaluma.**

Thursday, June 10, 2010 - 7:00-8:30 pm  
Petaluma Valley Hospital — Groverman Hall  
This meeting will be in English and Spanish
